GARDEN SPADES

:: AND FORKS. ::

STONE, COAL and COKE FORKS, SCYTHES, HOOKS,
HAY KNIVES. SHOVELS OF ALL DESCRIPTIONS.

All our Tools are guaranteed.

Weldless Tools.

All the tools shown on this page are forged in one piece, without weld, from a single piece of steel.

TITAN FORK

Weldless and Unbreakable.

This fork, made from a special steel, is the outcome of much research and experiment, having as our aim an unbreakable Digging Fork.

1

SECTION.

This illustration is of practical interest, giving an idea of one-piece construction, showing the solid metal at the neck which gives the necessary strength where the greatest strains are incurred.

SWAN

BRAND

WELDLESS.

SECTION.

135

These Spades and Shovels are known as Solid Blade Tools. and the section shows how the straps and blade are formed from one piece of steel, the strength at the neck and the continuance of this strength down the centre of the blade.

Description of Handle should be mentioned when ordering.
